Goh Yoo Lin

Dear Goh Yoo Lin,

CONTRACT EMPLOYMENT FOR [OPS STRONGHOLD TASK FORCE]

1. In support of the Government of Singapore's overall COVID-19 response, A*STAR Research Entities (ARES) has established the Ops STRONGHOLD Task Force (the "**Task Force**") to support the STRONGHOLD Diagnostics Lab ("**SDL**") as a centralised testing facility.
2. The details of your appointment are set out in the [Contract Employee Agreement dated **] (the "**Contract**"). For the avoidance of doubt, in addition to the terms set out in the Contract, during the period of your employment:
 - a) You shall report to and take directions from the Clinical Director of the SDL (the "**Clinical Director**") and the Lab Director of the SDL (the "**Lab Director**");
 - b) You shall observe and comply with ARES's regulations and policies, including but not limited to those relating to treatment and safeguarding of A*STAR or ARES's confidential information and intellectual property rights (such obligations which shall survive the expiry of the period of employment), as well as such other policies, regulations and/or protocols applicable to the SDL and as the Clinical Director and/or Lab Director may instruct.
 - c) All intellectual property generated by you in the course of your work shall be owned by A*STAR. You shall do all things and execute such documents as may be required to assign or transfer such intellectual property to A*STAR.
3. ARES may terminate your appointment without any prior notice and without payment of compensation of any kind whatsoever if you should:-
 - a) fail to perform your duties and obligations or observe any of the terms and conditions of your appointment; or
 - b) conduct yourself in any manner which, in the opinion of ARES brings or is capable of bringing you or ARES or A*STAR into disrepute.
4. This appointment will be terminated in the event your employment pass (if any) revoked or any application for renewal thereof refused by the relevant authority.
5. Thank you for your contribution towards the SDL and our national effort to combat COVID-19.

Yours sincerely

Prof Patrick Tan
STRONGHOLD Programme Director
