Please tell us why you applied for this job and why you think you are the best person for the job. The job description matches the skill acquired for more than 20 years. My wide coverage of I.T. fields from management, operations, development, governance, cybersecurity and networking gives me better appreciation of given IT projects and allows me to look into solutions from many perspectives.					
To be completed by Applicant I declare that the particulars in the application and the sheets attached hereto are true. I acknowledge that if I wilfully suppress any material facts or the information given by me in this application is in any way false or incorrect, I will be liable to be disqualified, and if appointed be dismissed. By submitting my application, I consent to the collection, use and disclosure of my personal data contained in this document by the Cyberdyne Tech Exchange (CTX), service providers and agents, for the purpose of processing my job application, including evaluation of my suitability, background screening, and contacting me regarding my application, forwarding my application to our other entities for consideration, and notifying me of future career opportunities. I warrant that where I have disclosed personal data of individuals (e.g. family members, relatives, friends or referees) to CTX, service providers and agents in connection with this application, I have obtained the prior consent of such third parties for CTX, service providers and agents to collect, use and disclose for the above purposes, in accordance with any applicable laws, regulations and/or guidelines.
