Dear Bryan

**Appointment as Research Engineer
(Singapore Institute of Manufacturing Technology)**

We are pleased to convey to you an offer of appointment as Research Engineer with the Singapore Institute of Manufacturing Technology, A*STAR Research Entities ("ARES") on the terms of this letter and the attached Terms and Conditions together with all policies referred to therein (collectively referred to as "the Employment Contract"), all of which shall form a part of this Employment Contract.

You will be appointed on the Research & Technical Support ("RTS") Scheme, Grade 3 with a corresponding salary range of S\$3,000 to S\$5,500. You shall be paid a gross monthly salary of **S\$3,850** in accordance with ARES's prevailing policies. This includes a Monthly Variable Component ("MVC") of 12% of your gross monthly salary. The MVC portion of salary, applicable to all staff, is subject to review and may be adjusted or reduced at ARES's discretion.

Your employment shall commence on your first day of work ("the Effective Date") and shall continue for a period of **3 years** from the Effective Date, inclusive of a 6-month probationary period. Any extension of this Contract beyond the **3-year** period shall be at ARES's discretion and on terms to be agreed.

If you accept the offer of employment, please complete and return the original attached Form of Acceptance, duly signed.

To facilitate our appointment and planning processes, we look forward to a written response from you to this offer of appointment by **15 June 2021**.

We sincerely hope that you will join our A*STAR family.

In the meantime, if you have any questions, please do not hesitate to contact Hayden Ong, Head, at 96215602 or Hayden_ong@hq.a-star.edu.sg.

Yours sincerely

Dr David Low
Executive Director
Singapore Institute of Manufacturing Technology (SIMTech)

CREATING GROWTH, ENHANCING LIVES
