Title: Job Offer from AIM Biotech

Dear Nurul Dinah Binte Kadir

We are delighted to extend this offer of employment for the position of Scientist with AIM Biotech. Please review the summary of the compensation, benefits, and the terms & conditions of your anticipated employment with AIM Biotech.

AIM Biotech is offering a full-time position for you as Scientist, starting 3rd April 2023. The starting salary is SGD 6,000 per month and is paid monthly.

As part of your compensation, we are also offering 10,000 options, vesting over four years under our employee stock option scheme upon your joining with the company.

As an employee of AIM Biotech, you will be eligible for health insurance through our company's group health insurance.

If you accept this offer, you will report to Lim Sei Hien.

We would like to have your response by 24th March 2023. In the meantime, please feel free to contact Lim Sei Hien via email or phone at seihien@aimbiotech.com or 81825659, if you have any questions.

Best regards

Kuan Chee Mun
