

PRIVATE AND CONFIDENTIAL

17 February 2025

Professor Ng Geok Ing
School of Electrical and Electronic Engineering

Dear Prof Ng Geok Ing,

JOINT APPOINTMENT WITH NATIONAL GALLIUM NITRIDE TECHNOLOGY CENTRE (NGTC)

In accordance with the University's decision, we are pleased to convey to you the approval for your joint appointment between Nanyang Technological University (NTU) and National Gallium Nitride Technology Centre (NGTC) with retrospective effect from 01 January 2025 to 31 January 2028. The terms of your appointment with NGTC will be separately conveyed to you by the Institute.

Your time commitment at NTU and NGTC will be 50% and 50% respectively. Your total remuneration package will be borne by NTU.

In relation to your appointment in NGTC, you will be provided with an allowance of \$3,000.00 per month, for your role as Executive Director in NGTC. Please note that this is not considered as part of the calculation of variable payments.

All other terms and conditions set out in our Letter of Re-employment in the School of Electrical and Electronic Engineering dated 15 October 2024 remain unchanged.

Please feel free to contact Ms Sapiah (Wati) Abdullah via email sapiah.abdullah@ntu.edu.sg if you have any questions.

Yours sincerely,

Daphne Lin
Divisional Head, Human Resources
NTU Shared Services
For and on behalf of
Nanyang Technological University, Singapore

cc Dean, College of Engineering
 Chair, School of Electrical and Electronic Engineering
