Dear all,

You have been posted to School Dental Service (postings to HPB Centre or to Field Clinics will be announced on the day of orientation itself).

Please let us know if you have planned for leave on the first 2 days of the posting (4th and 5th Jan) as we will be giving a briefing on use of the IT system and on other important matters on these two days.

We highly discourage absence on these two days.

However, if you have already booked your tickets, please inform us ASAP so we can try to make arrangements.

We will send an email closer to Jan for details of the orientation.

Stay tuned.

Dr Lim Wanyi

Associate Consultant, Youth Preventive Services Division
School Dental Service

Health Promotion Board
